

ZAYNYG WORLD

10 Holiday Money-Savers for Families

Real ways to save this Halloween & Christmas — from a dad of five who counts every dollar.

1. Bundle, don't buy singles

Our Haunted Porch bundle (\$49.99) costs less than buying the four pieces separately — and everything arrives in one box. Bundles are the #1 way families overspend without noticing: three separate orders means three shipping charges.

2. Stack the HOLIDAY10 code

Use code HOLIDAY10 at checkout for 10% off the Holiday Deals collection through December 25. Ten percent on a \$79.99 Christmas bundle is real money back in your pocket.

3. Buy the party packs, not the party singles

Throwing a class party? A 50-pack of glow party favors (\$19.99) beats 50 individual trinkets at a dollar each — same fun, half the price, zero last-minute store runs.

4. Shop US warehouses, skip the waiting game

Every Zaynyg World toy ships from a US warehouse in 3–7 days. No 3-week mystery shipping, no "will it arrive before Christmas?" panic — and no paying rush-shipping fees in December.

5. One gift that does the work of five

The Stocking Stuffer 5-Pack (\$39.99) fills five stockings in one purchase. Five separate stocking hunts = five markups. One smart box = done.

6. Let the kids' books do double duty

A \$4.99 book is a gift AND quiet time. Our Bible story books and chapter books keep kids reading for hours — that's cheaper per hour than any toy with batteries.

7. Decorate once with the all-in-one porch kit

The Haunted Porch bundle gives you the whole Halloween look — lights, torches, decor — for less than piecing it together from three different stores.

8. Start Christmas shopping in October

Prices and shipping only go up in December. Our Christmas Eve Magic bundle (\$79.99) is priced for early birds — lock it in before the holiday rush.

9. Pick toys that don't need batteries

Spinning tops, bath spinners, wooden rainbow tops — no batteries, no apps, no subscriptions. The toy costs what the toy costs. That's it.

10. Join the family list for first dibs

New drops, flash deals, and bundle restocks go to our email family first. Sign up free on our store — early access is how you never pay full price again.
